Boomerang has transformed my relationship with my inbox and keeps me on top of everything. Emails (and prospects) no longer fall through the cracks.

### How Boomerang Helps Me Stay on Top of Emails

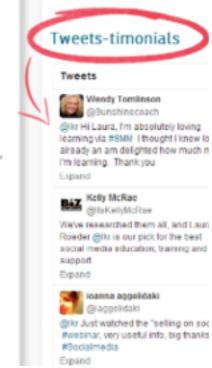

It helps me keep track of my outside commitments.

I do quite a bit of outside writing work for other blogs – LKR is one of them! So when the content manager at LKR sends over my posting schedule for the next six months, I Boomerang the message to return to my inbox 2 weeks before the next deadline. This helps me remember the due date during even the craziest weeks, as well as what I'm expected to dive in.

It streamlines my sales and client processes.

Boomerang helps me effortlessly take care of and track where things stand with potential clients.

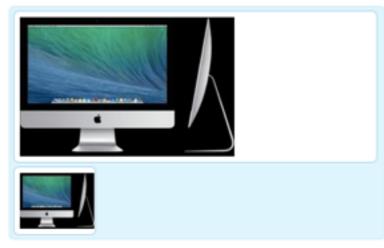

First, my assistant uses Boomerang to manage prospect consult scheduling. When she emails the potential client about scheduling a consult, she Boomerang's the
